Teaching of Yoga was started on an experimental basis on the Kendriya Vidyalayas in the Academic year 1981-82. Since the Scheme of Yoga education was temporary and has been continued on year to year basis, all the yoga teachers were appointed on ad hoc basis and their services were also extended on year to year basis Based on a review of the scheme of Yoga education, the Board of Governors of the Sangathan decided in September, 1986, that the teaching of Physical Education and Yoga should be integrated and that for this purpose, Physical Education teachers should be given training in yoga and yoga teachers should acquire adequate qualficatons for teachng Physcal Educaton.

Twenty-four Yoga teachers who already possessed qualficatons prescribed for the post of Physical Education Teachers were appointed as such. The Kendriya Vidyalaya Sangathan nominated Yoga Teachers to undergo a special B P.Ed. (Summer Course) in 3 semesters in Lakshmi Bai National College of Physical Education (LNCPE), Gwalior. Ninety five Yoga teachers have since acquired the qualifications of B.P.Ed. The question of formal regularisation of these employees as PETs would be placed before the Board of Governors for a decision.

The transfer of Yoga teachers and PETs could not be effected during 1989-90 pending decision of the Board of Governors on the matter, as their transfers would depend on decision by the Board in regard to their status.
